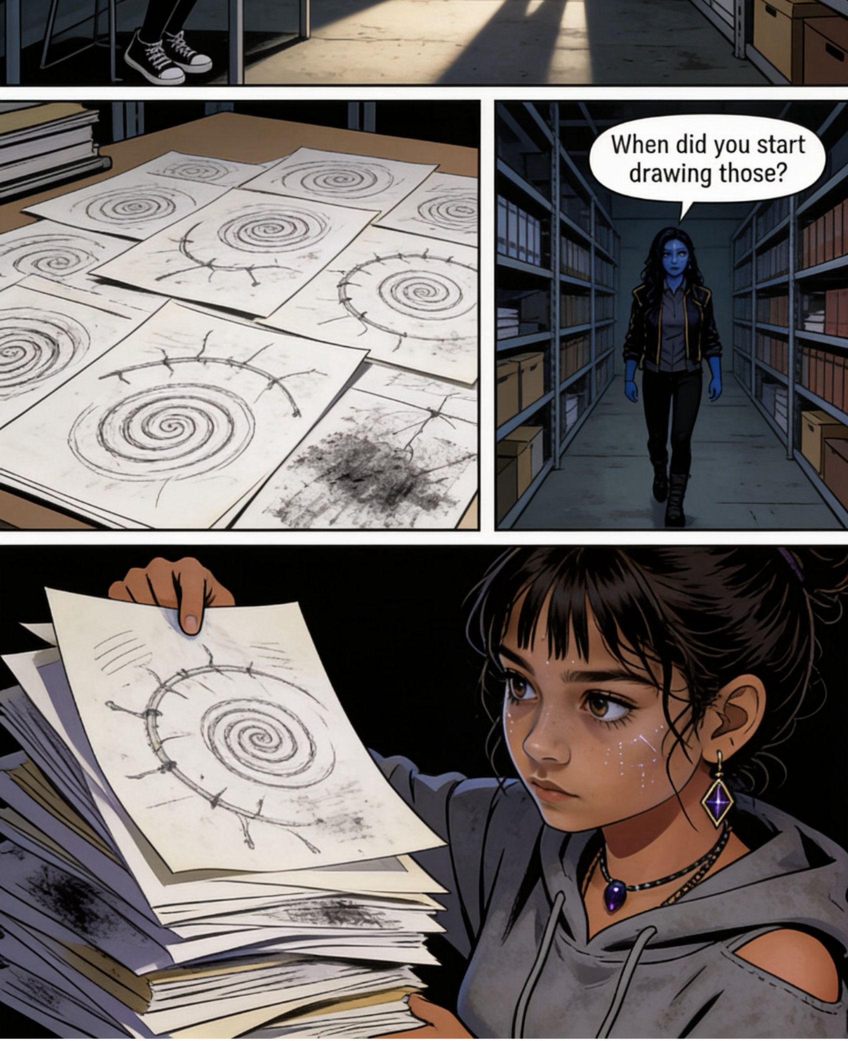
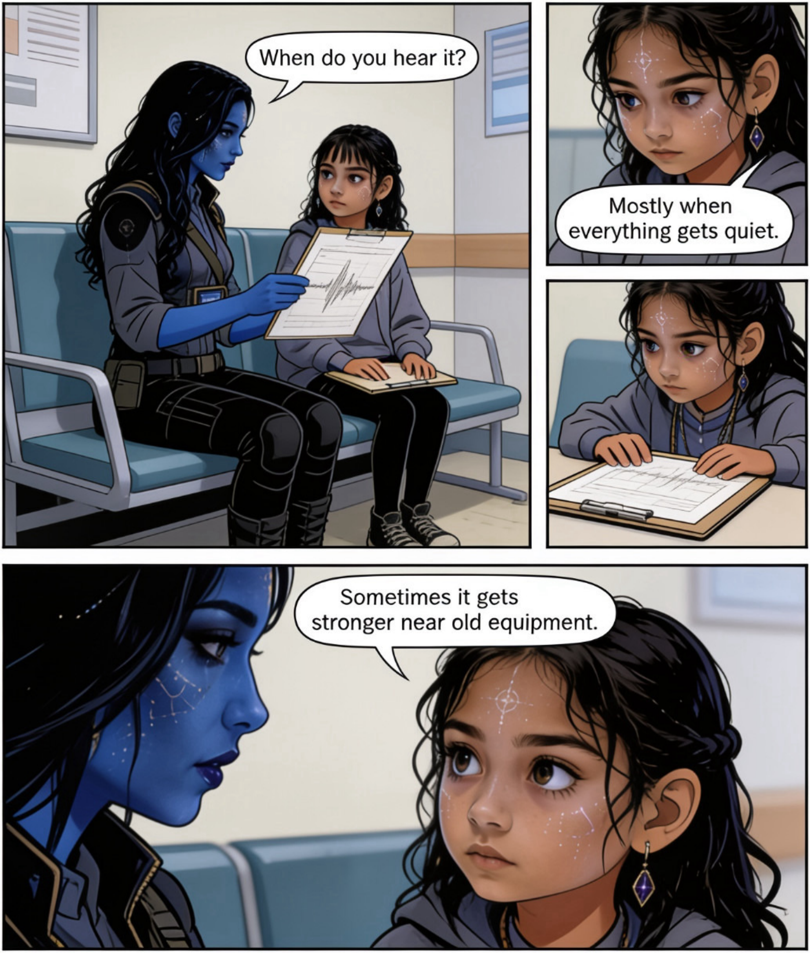
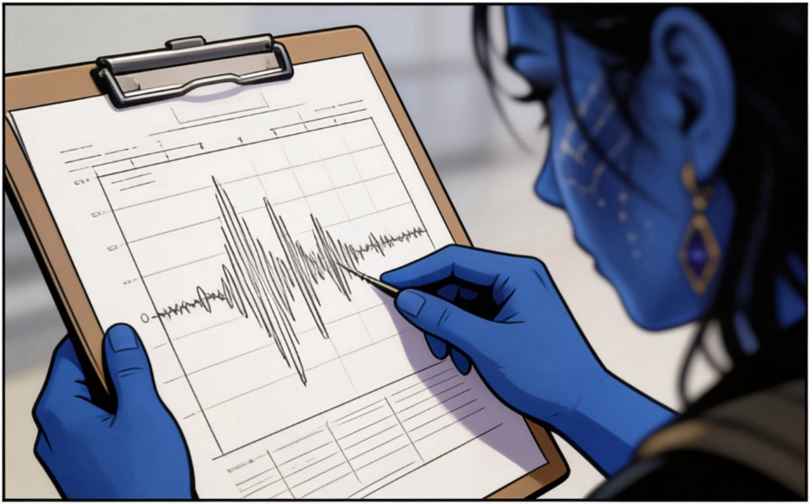
RERURRIING SIGNAL

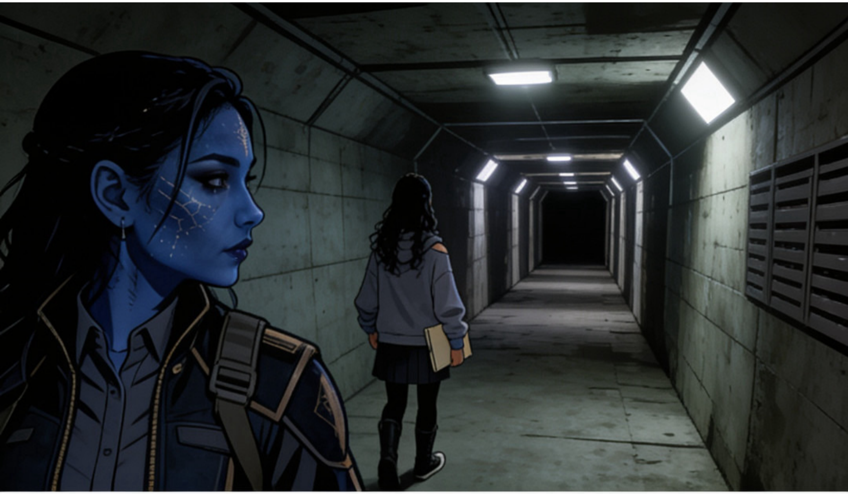


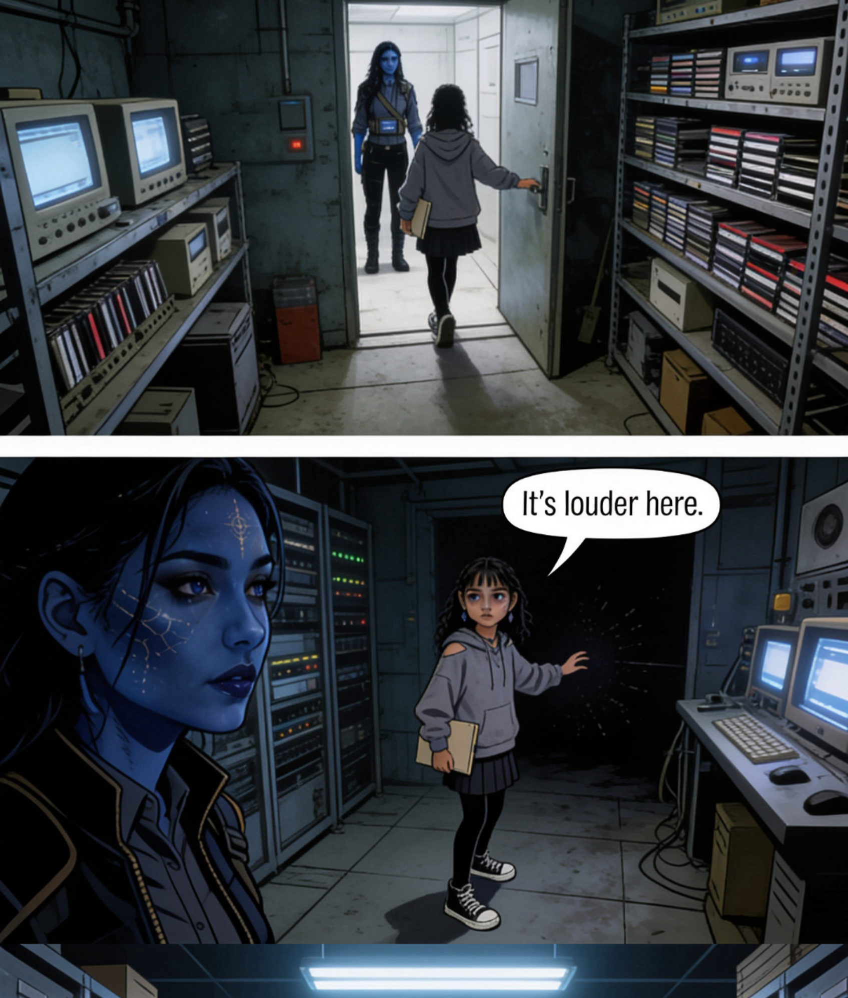
When did you start drawing those?



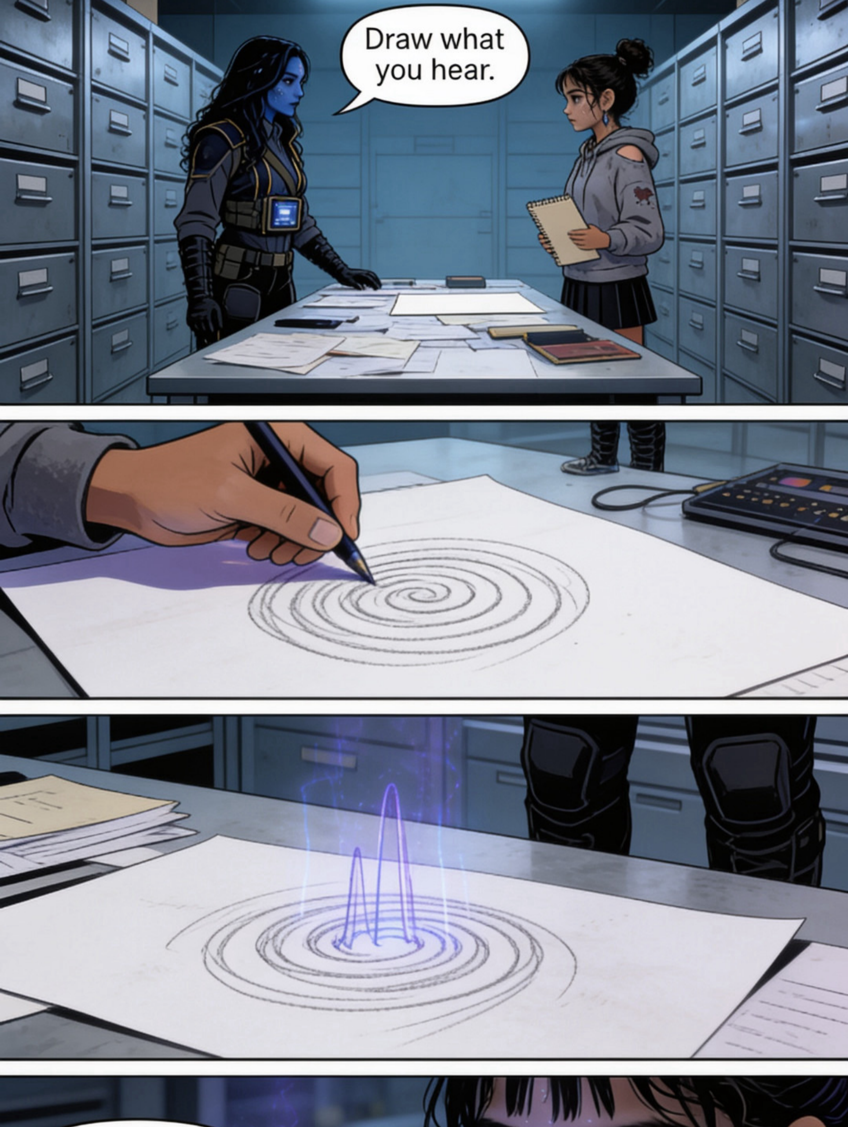
When do you hear it?
Mostly when everything gets quiet.
Sometimes it gets stronger near old equipment.



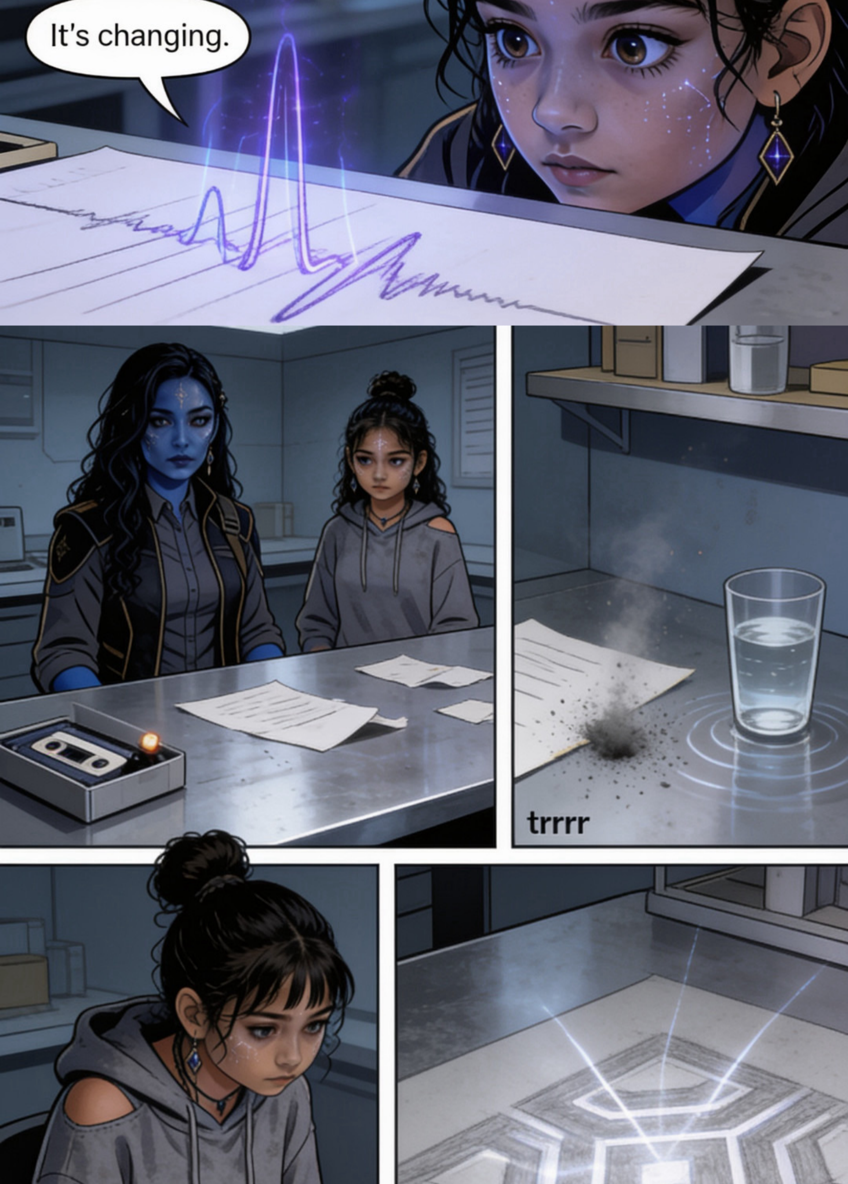




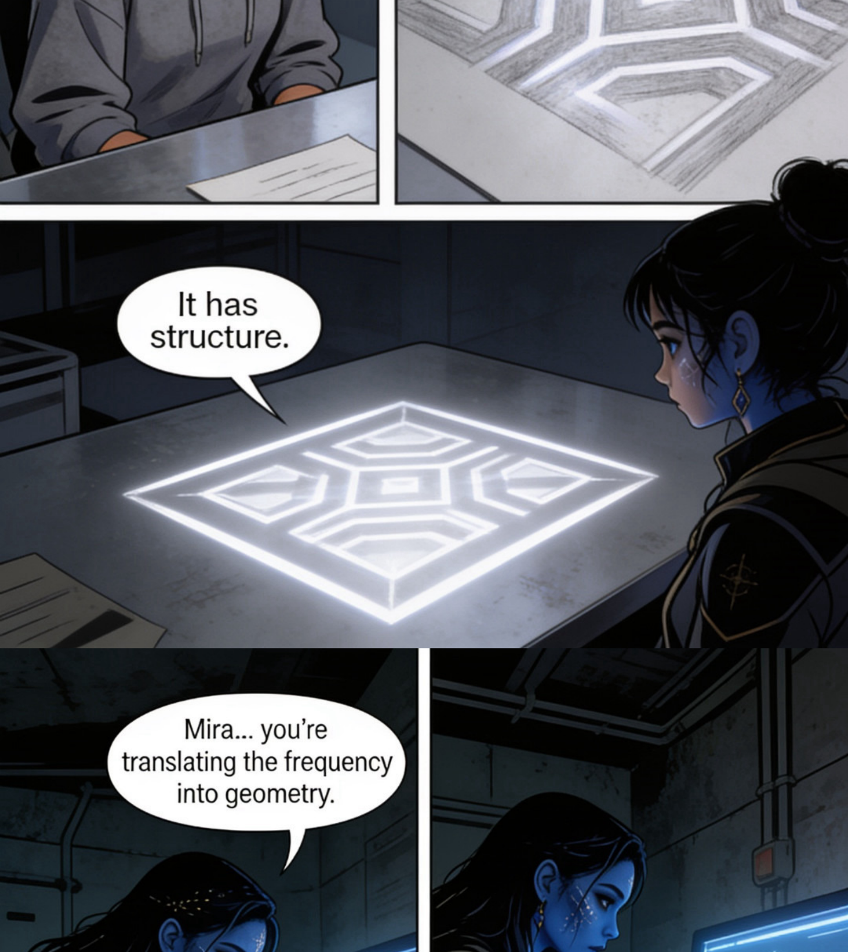
It’s louder here.



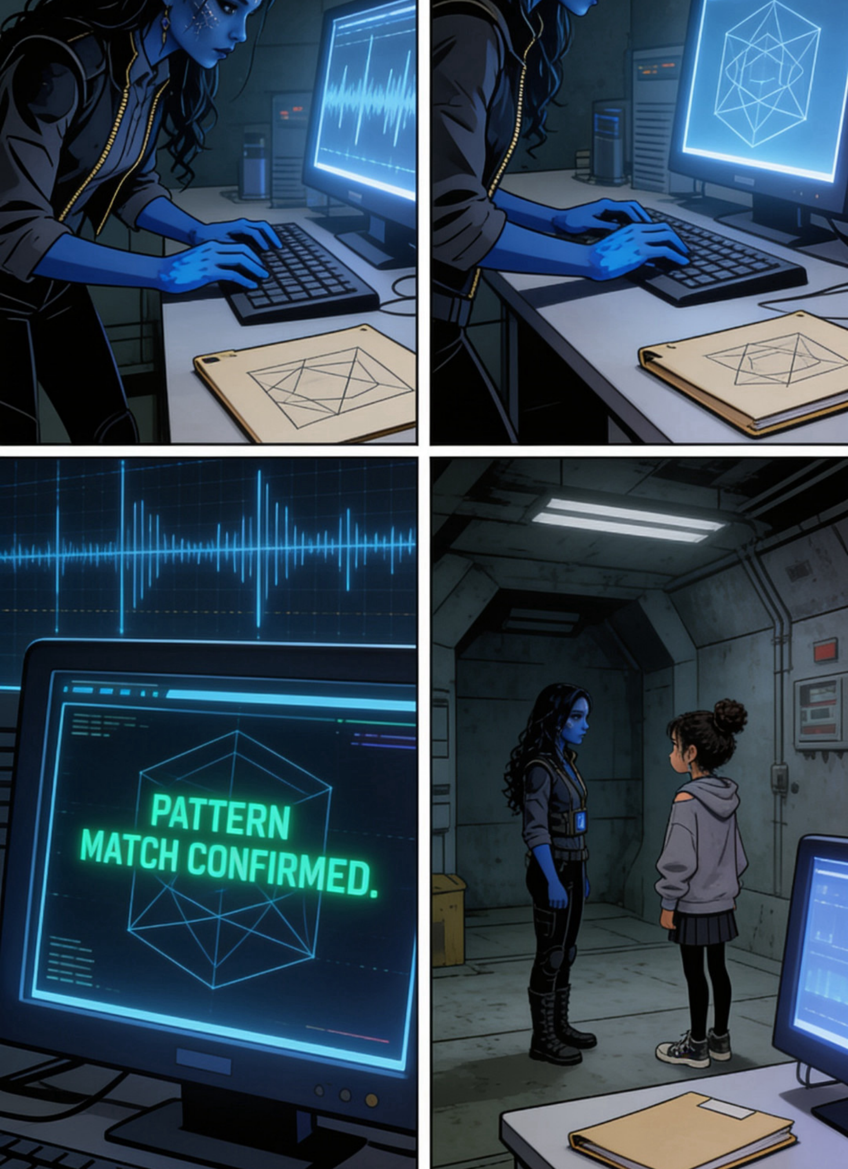
Draw what you hear.



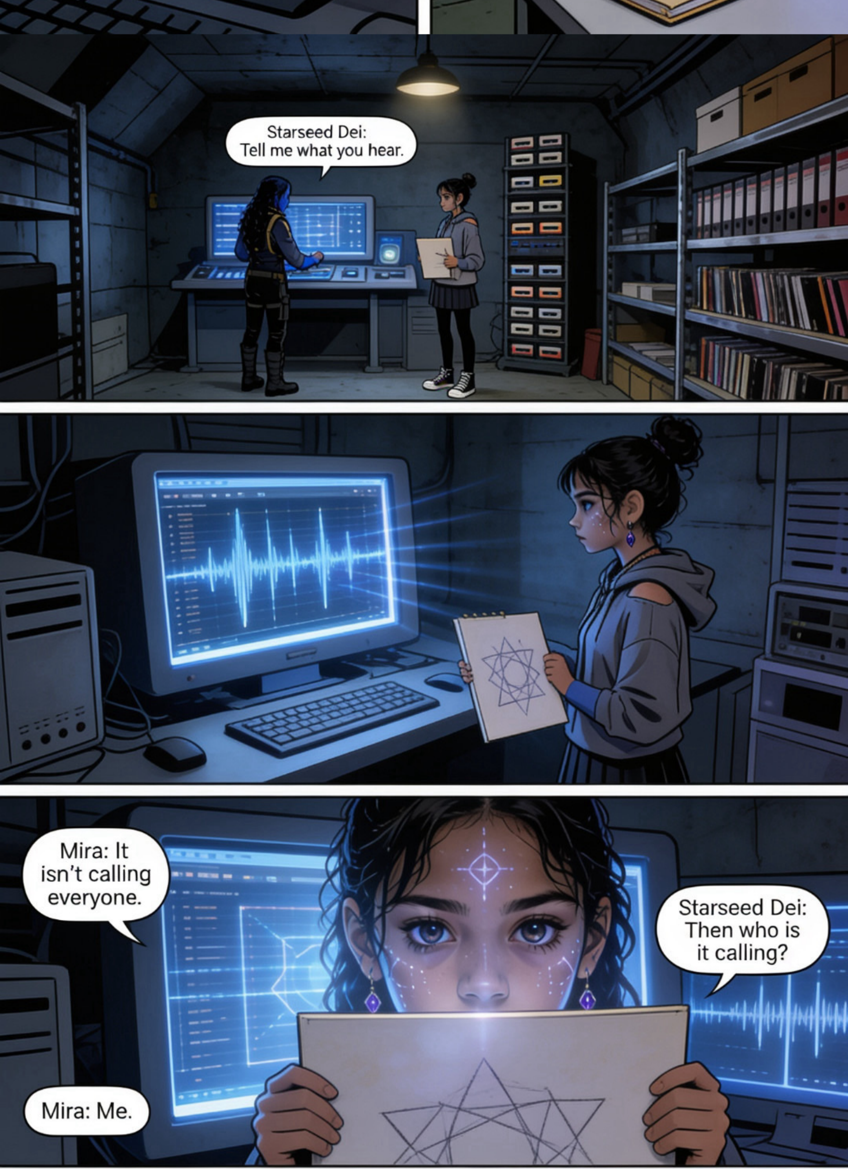
It's changing.
trrrr



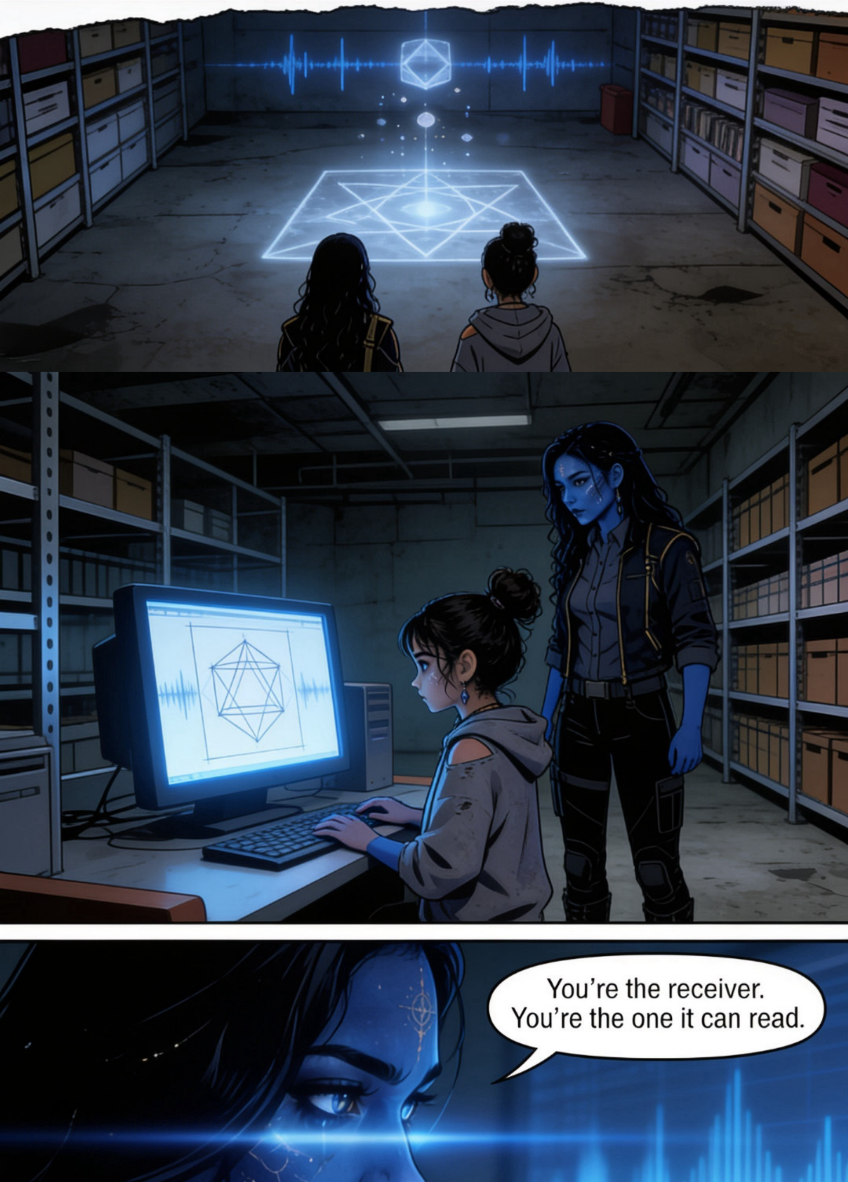
It has structure.
Mira... you’re translating the frequency into geometry.



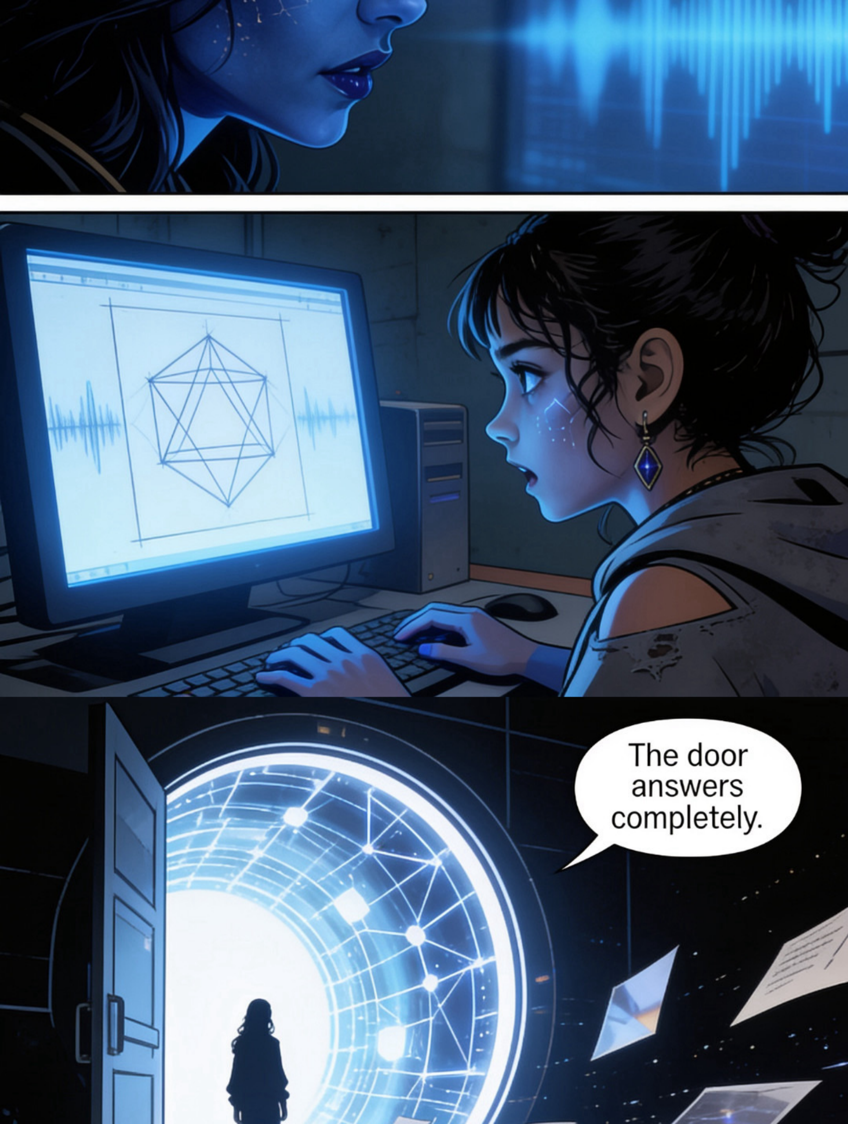
PATTERN MATCH CONFIRMED.

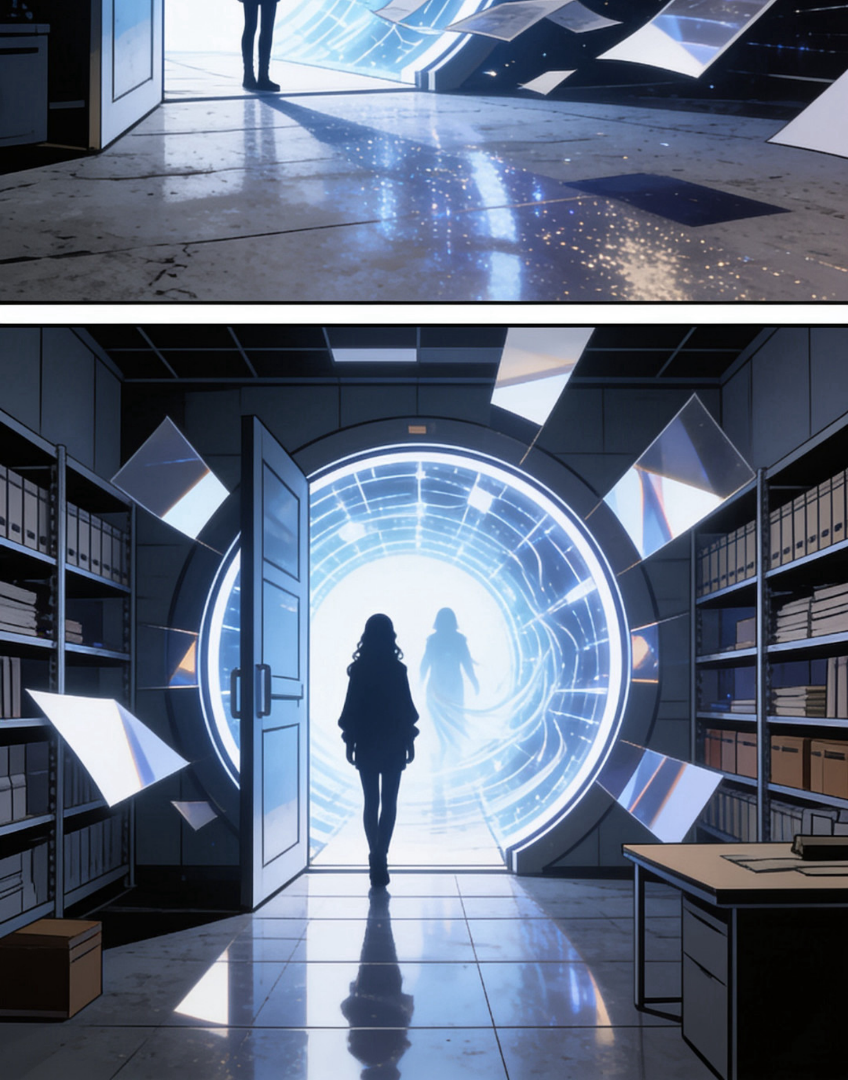


Starseed Dei: Tell me what you hear.
Mira: It isn't calling everyone.
Starseed Dei: Then who is it calling?
Mira: Me.



You’re the receiver. You’re the one it can read.





The door answers completely.
